**JOIN THE FES PARENT INVOLVEMENT TEAM**

The purpose of parental involvement under Title I, Part A is to promote active involvement of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities. The task of creating, designing and participating in activities affect the entire student body. The Folkston Elementary School Parent Involvement Committee is seeking members that include positive people who will support each other so that our school can promote high standards in academics, values, and all-around education.

Our team currently consists of 20 parents and 11 staff members. If you feel you could help our mission, please consider joining our committee. Please contact Dr. Tina Baxter at 912-496-7369 or at tbaxter@charlton.k12.ga.us. You may also visit the school during the hours of 11:00-12:00pm. If you are unable to join our group but have other input, please let us know so we may address the issue.
